## HELEN G. MUIR CHILD DEVELOPMENT CENTER

With this being the last newsletter of the preschool year, I would like to thank all of the staff, children and parents for making my job most enjoyable! Thank you to Pastor Suzy for sharing your time with us during chapel on Wednesdays. We love your stories! Thank you to Karen Spaulding for playing the piano at our music sessions. You're the greatest! From all of us at HGMCDC, thank you parents, for all your wonderful support with our school activities this year. Our success depends a lot on parental involvement.

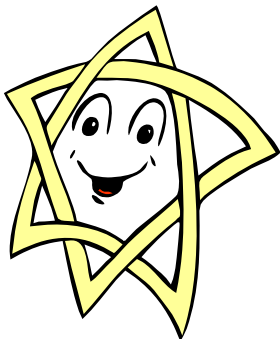

Summer Fun 2008 begins July 4<sup>th</sup> thru August 1<sup>st</sup>. Registrations are currently being accepted. We hope to have your child join us in the fun activities and field trips we have planned!!

The staff and I hope you have a safe and fun summer!  
We look forward to seeing everyone again in the fall!

Norma Topping, Director

### TREMENDOUS TWO and a HALF'S

I cannot believe this is my last month with the tremendous 2 -1/2's and they have truly been tremendous. I have seen such growth and development since the beginning of the school year. The class has learned to share, communicate, and follow directions. Along with our colors and shapes the children have become more independent with potty-time, snack-time, and clean-up time. I know that they are more than ready to advance to the three year old class next year.

I really appreciate all the support I have received this year from my wonderful parents. What a GREAT bunch! I wish all of you a safe and sunny summer!

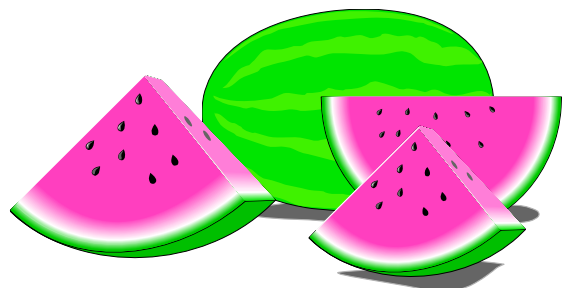

Mrs. Debbie Wheelless

### THRILLING THREE'S

Mrs. Byrum and I cannot believe how little time we have left in our preschool year. In our remaining time together we will be learning more numbers, playing together as much as possible and enjoying our last days together. We will have a wonderful end of the year program on May 30<sup>th</sup> and our class will have a little party on May 28<sup>th</sup>. The teachers will be supplying snacks for that. We wish everyone a happy and safe summer.

Mrs. Ann Byrum

### FABULOUS FOUR'S

Like waves in the ocean this school year is heading back out to sea! We have accomplished so much this year and we are so proud of our students.

Our Doors to Discovery unit this month covers water discovery. We have enjoyed playing in the water table, going to the beach, and talking about sea life. The children continue learning about blending sounds and are doing a terrific job of reading simple sentences. Finally, we have been busy gearing up for our end of the year program.

This month will end with our spring program and graduation – I hope you remember your tissues!

Our last two weeks of school will be fun and games. We figure the kids have worked hard all year and so fun time has been earned. A big “Thank you” to all of the parents who have helped us this year! We could not have a successful program without you!

We wish you a safe and happy summer!

Mrs. Kate Radermacher  
Mrs. Michele Aravich

### FANTASTIC FOUR'S

It's hard to believe our school year is coming to an end! This has been an exciting year for us with many new adventures.

Our Doors to Discovery curriculum had us exploring our Water Wonderland. This included a visit to Buckroe Beach. We saw some interesting water creatures and learned many things about them. We concluded the study by making our own water filtration system.

Our caterpillars arrived and transformed into beautiful butterflies. We loved watching them take flight on our playground.

Mrs. Travis and I would like to thank our parents and grandparents for their wonderful support and generosity this year with our class parties and all other school events.

Your help made this school year a big success.

In closing we would like to wish all of our students much success next year and the many years of education ahead of them.

We are very proud of you and will miss you next year. Have a great summer!!!

Mrs. Susan Minter  
Mrs. Maria Travis.
