

THE HELEN G. MUIR CHILD DEVELOPMENT CENTER

“Love is the rule in our school!”

May 2008

We are in high gear now as we prepare to kick off “Summer Fun 2008. It begins July 7th and runs through August 1st. We have a nice size group attending this year, but there is still room for your child if you have not already enrolled! We have also extended the ages, to include up to 8 years old. Please call 245-8635 or stop by the office to register your child for a fun packed month of good ole’ fashioned summer fun!

Our school recently received a letter of commendation from Governor Kaine for our preschool’s outstanding performance in the Virginia Preschool Initiative pilot program. We were chosen to participate with the Hampton City Schools. We are so proud of our accomplishments this year!

Kudo’s to the truly remarkable job our teachers and assistants did in the four year old classes. We have been asked to be a part of Hampton City Schools preschool program again in 2008/2009. I am looking forward to the upcoming year.

Hope to see your child at Summer Fun 2008!
