

THE HELEN G. MUIR CHILD DEVELOPMENT CENTER

"Love is the rule in our school!"

September 2008

HELEN G. MUIR CHILD DEVELOPMENT CENTER

July was busy with the excitement of our Summer Fun 2008 Program. The children enjoyed field trips to Sandy Bottom Nature Park and the Hampton carousel. We enjoyed a clown show with balloons and water fun day with a terrific water slide provided by one of our students, Hunter Rice. A big thank you to Hunter's grandfather, Mr. Packer, for helping to set it up each time! We finished summer fun with an indoor picnic with our students and their families! Thank you to our summer fun teachers who helped make our program energetic and exciting, and to our parents for volunteering to drive on our field trips!

The new school year will begin on September 2nd for five day classes and September 3rd for three day classes. A new change this year is a five day program for the three year old class with a 3 day option. If your child is currently enrolled in the three day option and you would like to take advantage of the additional two days, please call me at 245-8635 to discuss. Our teachers have been busy getting their classrooms ready and are anxiously awaiting the arrival of their new students!

An important date to remember in September:

Back to School night for Parents -
September 17th - (7:00pm - 8:30 pm)

We're looking forward to the first day of school and pray that God's blessings will be upon each of us as we begin a brand new learning adventure!

Norma Topping
Director
